

# FOREST LAKE ROAD, WINCHESTER

## DIRECTIONS:

**From the intersection of Route 10 and Forest Lake Road:** Drive southeast on Forest Lake Road for about 1 mile, then turn right to stay on Forest Lake Road. In approx. 0.2 mile, you will reach Lake Shore Drive on the right-hand (west) side of the road. The crossing begins at Lake Shore Drive, and ends just before the entrance to the town landfill.

**From the intersection of Route 119 and Forest Lake Road:** Drive northeast on Forest Lake Road for approx. 0.5 mile. The crossing begins just beyond the entrance to the town landfill, and ends when you encounter Lake Shore Drive on the left-hand (west) side of the road.

**NOTE:** This crossing is approximately 0.9 mile long.

**MAP KEY:**  = Beginning/End of Crossing  = Parking

## OTHER INFO:

 Crossings are heaviest at the north end of this site, but there are sporadic sections with heavy amphibian traffic through the southern portion as well. This is a long crossing site, and volunteers often split into groups and work their way from each end to the middle.

**PARKING:** Park along the side of Forest Lake Road at either end of the crossing.
