

GLEBE ROAD, WESTMORELAND

DIRECTIONS:

From Route 9 near Forestview Drive and Glebe Road:

From Route 9, drive north and take an immediate right onto Glebe Road. In approx. 0.2 mile, Glebe Road curves to the left. Beyond this point, drive slowly and carefully, as wetlands border the road and you might encounter amphibians. In about 0.8 mile, you will come to Mulligan Right of Way on the left-hand (west) side of the road. The crossing begins about 0.1 mile later, where Glebe Road curves slightly to the right (east).

NOTE: This crossing is approximately 0.25 mile long.

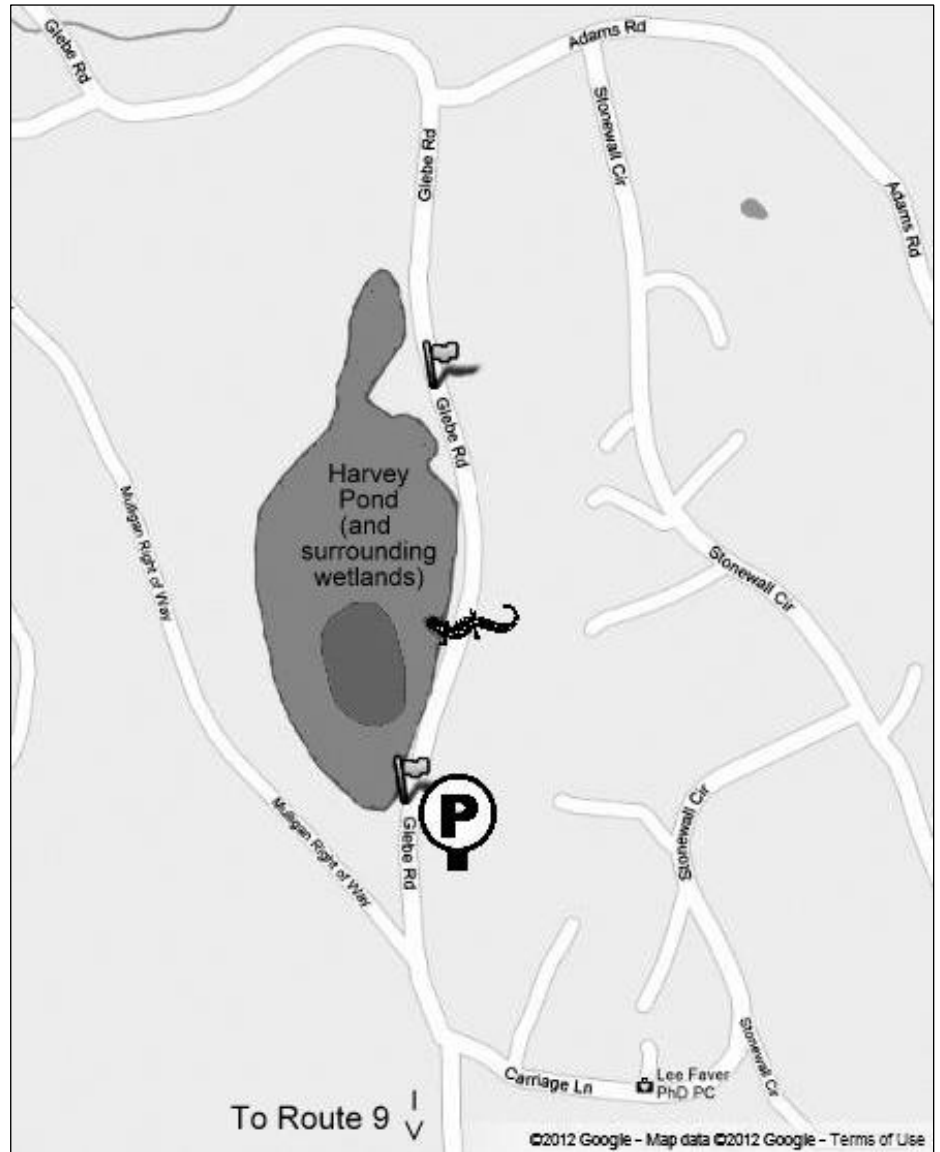

OTHER INFO:

With wide shoulders, a very supportive neighborhood, slower traffic, and spotted salamanders by the score, Glebe Road is **our most family-friendly crossing**.

PARKING: From the intersection of Glebe Road and Mulligan Right of Way, drive approximately 0.1 mile until the road curves to the right (east). Park on the right-hand (east) side of the road. If others cars are already parked at this site, please park behind them so we don't end up with cars parked *in* the crossing site.
