

BOBCATS FOREVER

BOBCATS FOREVER is comprised of supporters who have named the Harris Center as a future beneficiary of an estate, trust or other gift.

For more information on how you can help bobcats and humans roam Monadnock Region open spaces *forever*, please contact:

The Harris Center for Conservation Education
83 King's Highway
Hancock, NH 03449

Our Mission:

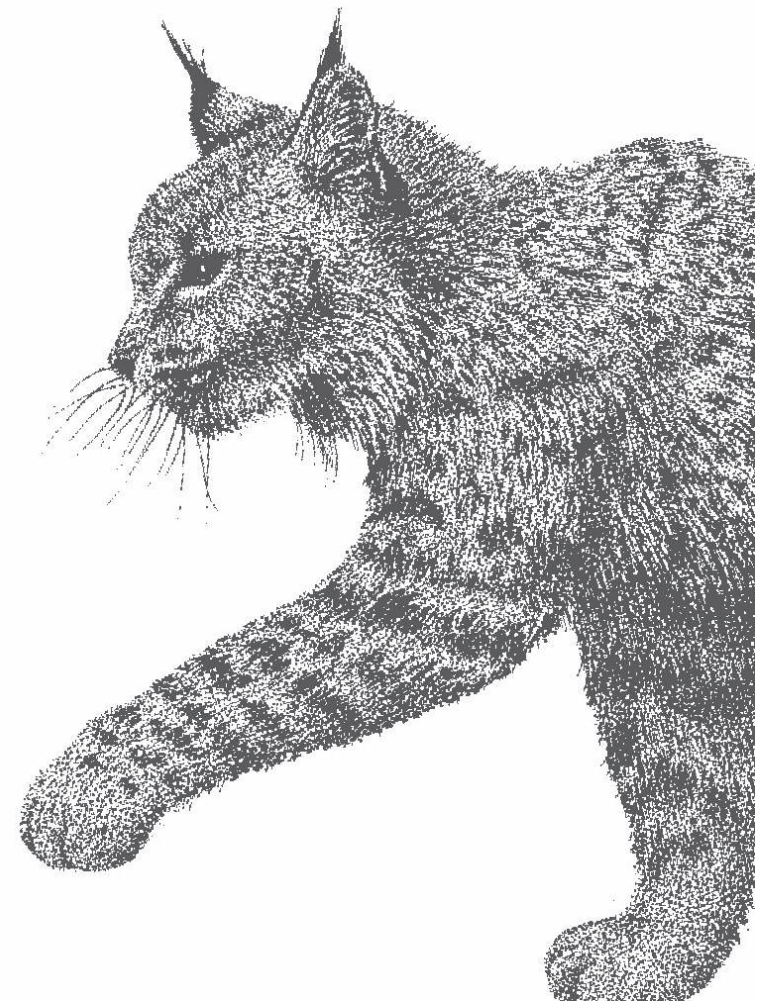

The Harris Center is dedicated to promoting understanding and respect for our natural environment through education of all ages, direct protection and exemplary stewardship of the region's natural resources, and programs that encourage active participation in the great outdoors.

FOR CONSERVATION EDUCATION

BOBCATS FOREVER

HARRIS CENTER
FOR CONSERVATION EDUCATION

To support the Harris Center's presence in the Monadnock Region, and sustain that presence forever ...

What will it take
for bobcats to roam
the Monadnock Region

Forever?

Land, set aside for future generations.

And people who have learned to care.

With a look towards the future ...

- ❖ CONSERVING land for the bobcat to roam;
- ❖ EDUCATING the next generation in the ways of the wild and natural;
- ❖ OFFERING hikes and trails so that humans, too, may roam the Monadnock Region's open spaces.

Planned giving allows the Harris Center to build and sustain a strong foundation of support.

We ask that you consider joining Bobcats Forever - supporters who have taken a few simple steps to name the Harris Center as a future beneficiary.

It can be this simple:

- ❖ A bequest added to your will;
- ❖ A rider to a life insurance policy;
- ❖ An addendum to an individual retirement account;
- ❖ A trust, set up to provide you with income during your lifetime.
