## COVID PRECAUTIONS

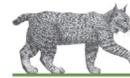

- 1. Wear a mask.** Whenever other people are around, wear a covering over your mouth and nose.
- 2. Keep your distance.** Stay at least 6 feet from anyone who's not in your pandemic pod. No gathering close together to ogle salamanders this year!
- 3. Do not use hand sanitizer,** as it is harmful to amphibians. If you have already applied sanitizer to your hands, do *not* handle amphibians. Be sure to wash your hands with soap & water when you get home.
